

Spring Clean Collection in La Cañada Flintridge

Spring Clean Days

Browning-Ferris Industries and Solid Waste Recycling and Disposal Services are working together to bring Spring Clean Days to La Cañada Flintridge. B.F.I. and Solid Waste are generously volunteering to provide the service free of charge to the community. Collection days will be held on May 12 and May 19, 2001 (rain or shine). The special collections are provided to the City's residential neighborhoods for pick up of any large, heavy household items. There is no charge to residents, and ALL residents may take advantage of this public service program. B.F.I. and Solid Waste will each serve their regular customers. For items that are still usable, please first consider giving them to a local thrift store or call L.A. Shares at (213) 485-1097. L.A. Shares is a non-profit agency that redistributes bulky items to local charities. This helps preserve landfill space.

As in past years, the City will be divided into two segments (see map). On Saturday, May 12, B.F.I. and Solid Waste will serve the northwest portion, and on Saturday, May 19, pick-up will be provided to the remaining eastern and southern sections of the City. On collection day, simply place your items curbside before 6:00 a.m. To avoid being missed, you might want to set them out the night before. Sorry, no make-ups will be offered for missed collections. Hazardous or toxic items will not be collected. No concrete, dirt, rock or hot ashes. Heavy items such as refrigerators or bathtubs will be collected, but must be limited to approximately 200 pounds.

If you have any questions regarding what items can be picked up,
call B.F.I. at 1-888-742-5234 or Solid Waste at 626-810-5022.
